Notes (high-level summary):

- I. New Members
 - A. Margaret (TPEP program) and Nadia (professional in health systems change).
- II. Regular Meeting Time
 - A. 2nd Wednesday of the month at 12-130pm currently under strong consideration.
- III. Assessment Update
 - A. State Interviews, culturally specific analysis, SAMSA database, APAC, continue research.
 - B. Rede will post the assessment matrix on the collab space.
- IV. SUD survey progress
 - A. Introduce the draft to the group.
 - B. Feedback/comment:
 1. Who are we trying to reach, is there a number of people we want to reach per organization?

2. Peers, mentors and case managers would be great to distribute these surveys. Someone with client rapport.
 3. The possibility of multiple surveys to address specific questions for administrators (policy related) and questions for other roles at facilities.
 4. There appears to be issues obtaining contact information for BH facilities.
 5. Including group homes in the list too, because some have outpatient services.
 6. Rede will explore ways to do a modular survey where different segments would go to different entities within a site.
 7. Concern around dissemination.
- V. Information clarified by Rede
- A. This survey is for outpatient facilities.
- VI. Incentives
- A. Options: Gift Card, No incentive, NRT, training on how to treat nicotine dependence.
 - B. Provide participants with options within the survey (menu of incentives).
 - C. Feedback on options: NRT (peers would be excited to hand it out), referral to Oregon quitline to encourage them to continue getting NRT, Giving people an option is great!
- VII. Small Group
- A. Help Rede with survey language, administer it in modules, Figuring out audiences, etc.
 - B. Volunteers: Sari, Thais, Nadia, Reina, David, Jim.
- VIII. Timeline moving forward
- A. Additional conversations about how to promote this survey.
 - B. Focus groups, interviews, frontline workers-talking to them about their perspectives (coming up later this year).
