A SOCIAL IMPACT COMPANY

»redegroup

bringing clarity, visibility, and equity
to complex public health challenges

Meeting Objectives:

1. Assess consensus on redraft of **long-term outcomes**
2. Review and gather recommendations for next steps on redraft of **strategies and activities**

Definitions

- Rede is developing a list of definitions that will accompany the evaluation plan and theory of change model
- Rede will share information on how to review and provide feedback on definitions next week

Long-term Outcomes: Redraft

Long-term Outcomes Redraft (9/27):

1. A transformed public health system that centers community-identified needs
2. Communities experience equitable distribution of and access to information, resources, and services that promote health and well-being
3. Communities have increased power to influence policy and systems change to address social determinants of health

Fist to Five Voting

No way! I strongly object

I see major concerns, we need to discuss further

I still have reservations and would like to discuss some minor issues

I'm not in full agreement but I feel comfortable moving forward

Good idea/plan, I'm happy to move forward with it

It's a great idea, I fully support it and will champion it!

Recommendations for Theory of Change Strategies

What was your groups recommendation?

1. Moving forward with the strategy and activity as is
2. You have specific modifications that should be made to move forward
3. There is a lot of work to do, that this warrants more discussion with more workgroup participants

Next steps

Rede is going to:

1. Take the information you shared with us today
2. Combine it with the information from the other group (meeting right now)
3. Bring that back to you next week

Meeting schedule

**Workshop 7: Theory of Change/
Evaluation Planning**

(Oct. 5, 10-11 AM)

Thank you!
